TRIPLE 3 CHALLENGE THIS FRIDAY

Dear Members

The **Triple 3 Challenge** is upon us.

We must say a huge thank you to Jeff Dudgeon from the **Bailey Bottleshop** for being the naming sponsor of the event. We are lucky to have such a great independently owned bottle shop in town and we appreciate your support. **Callaway** have also assisted with prizes, and I say thank you to Matt Meredith for his assistance. Matt is the General Manager at Callaway and spoke at a recent conference Greg was at about Callaway's commitment to the **Cancer Council Longest Day**. After Greg reached out to Matt he was only too happy to assist with prizes for the day at a great rate and he applauded the initiative of this event.

As it stands folks, the field is full bar two teams that require 1 player each. Anyone wishing to have a game please call us so we can fill these spots.

I have [attached a tee sheet](#) which tells everyone the length of the holes, where the pins are and the position of the pin on the green. The distances are to the pin and are within 5 metres of what is listed. I suggest you still use a rangefinder if you want an exact distance.

Tee off is at **noon on Friday** and Greg will be on the deck from 11am for registration. If you haven't pre-paid, we would like you to do so into the club's account as per the registration sheet. When you present at registration, please come with your team and the clubs you will be using for approval. Some people will have 7 hybrids, 7 or 9 woods and different wedges etc. As long as they are close in lofts Greg will approve them on one condition: PLAYERS CANNOT SWAP OR SHARE CLUBS.

Conditions of play

- 3 person ambrose played in 6's unless given permission otherwise.
- Each player is allowed 3 clubs plus a putter.
- Players must have club selections approved by Greg and must not swap or share with their team. Penalty of disqualification if this happens.
- Preferred lies one club length through the green including bunkers and penalty areas but must remain in the same conditions. eg. if you are in a bunker you must stay in the bunker.
- 15cm preferred lie on the green no nearer the hole.
- For Pace of play tap ins are allowed.
- Handicaps for all will be GA's converted to men's white course and Ladies' red course.
- Non Handicapped players will be off 18 for men and 36 for Ladies.
- As per 3 person ambrose rules, combined handicaps will then be divided by 6.
- To compensate for all holes being par 3s (so par 54 instead of par 71) handicaps will then be multiplied by ¾ to give your team handicap.
- If a team has two or more ladies they will be given an extra two shots on their handicap.
- All players are to tee off from the blue tees provided.

This event is run by Greg and Club Captain Col Brown. Any disputes are to be directed to either of them and all decisions will be final.

Most importantly folks have a great fun day and lets make this a permanent fixture on our calendar.

We would also like to thank all of our sponsors for the day
Bailey Bottleshop (naming sponsor)
Callaway Golf (prize supplier)

Hole Sponsors

Collins Golf
Horizon Bank
WorkSafe Apparel
Mountainside Meats
Hobie Australia
Ray White Berry
