

Provisional Membership Policy

Shoalhaven Heads Golf Club ("the Club") is committed to providing a safe, welcoming, and fair competition environment for all members. The Code of Conduct and Members' Protection Policies set out the standards of behaviour expected of those attending the Club and the behaviours that are not acceptable. The Playing Policy further details the expectations for the behaviour of members and visitors whilst on the Course.

Effective 1 August 2024, the Club has implemented the Provisional Membership Policy.

All applicants for golf membership (including Playing, Gold, Apprentice/Trainee, Cadet, and Sub Cadet) will be accepted as Provisional Members on completion of the Golf Membership application form (in full) and payment of the relevant membership fee.

A list of Provisional Members will be displayed on the Club's noticeboard.

Provisional membership will be for 3 months. During this period the Board reserves the right to refuse an application should any information come to light that would make the Board feel that the Provisional Member would not be suitable for golf membership of the Club. The Club reserves the right not to disclose any information regarding the nature and source of such information, should it arise.

Fees for any unused period of membership will be refunded in the case that golf membership is refused.

The Club has adopted this Policy as a By Law.
