

Veteran's Report 2025

2025 has been marked with a host of disruptions, both on and off the course, but our Veteran members remained focused on enjoying the magnificent course and great camaraderie that is on offer. Congratulations go to the greens staff for the fantastic work they do, and we can all look forward to a settled 2026, and that glorious 11th green and tee area about to come into play. It looks amazing! Well done to all involved.

Eclectic competition

Sadly, the Eclectic annual competition was cancelled for the year, as we were very unsure as to what would happen when the new Golf Connect took over. We have also had 3 different courses and GA's were different so no continuity was possible. Hopefully in 2026 we will be playing the proper blue course for Eclectic days.

Vets Championships Results

Runner Up	Dan ROCHFORD

Ladies Division Gross

Winner	Gail POTTINGER
Runner Up	Sharon McCARTHY

Ladies Division Nett

Winner	Marie MILLER
Runner Up	Maureen LATIMER

Inter club Events

Mid-south coast Vets events were well supported by our members, but we remained well down the various tables. Hopefully the advent of the correct use of white and blue course ratings will see our club handicaps rise to a more correct level. Congratulations must go to

those hardy and dedicated Vets members that travel so far one Monday a month to represent the club. Many thanks for your endeavours.

Vets Matchplay

The final is happening now and we will be congratulating Michael Wilding at the AGM. Well done!

Bolong Cup

Also due to be played very soon, and we are looking forward to defending our close win from last year! Hopefully we will be celebrating at the AGM.
